

Principal's Report/ PTL
January 2024

1. **Registration:** This month starts our annual re-registration for the next school year. Current families are given the opportunity to register for the 2024-2025 school year before we open it to the public. At this time I predict we will have a waiting list for K3 and K4.
2. **Wisconsin Parent Choice Program:** Registration begins for this voucher program on Feb. 1st. Please watch your email for directions on how to apply/reapply.
3. **Christmas Program:** Between the 2 performances of our program we were able to share the Christmas message of our newborn Savior with 612 people. This number does NOT include students and staff. What a wonderful opportunity.
4. **Baptisms:** Praise the Lord! In the past couple of months we have welcomed the following students and siblings into the family of God: Charlotte Blake, Scarlett Sciascia, Isis Enright, Thalia Enright, Freya Enright, Jordy Saldivar, Evie and Reese Troka.
5. **End of the 2nd Quarter:** We are quickly approaching the end of the 2nd quarter on January 19. Report cards will go home with students on Friday, January 26th.
6. **MAP Testing:** All students in K-8 will take the 2nd of 3 standardized assessments during the week of January 22nd. Parents will receive a copy of their child's results once all have completed the testing. We look forward to seeing scores continue to rise.
7. **Bowling for the Band:** Come and join the fun on Sunday, January 28th, at the Watertown 18 Bowl as we raise money for our band program.
8. **PTL Family Dance:** Break up the winter doldrums at this year's PTL family dance in the fellowship hall on February 9th at 7pm. This year's theme is "Drive In Movie". Come and join the fun!

Respectfully submitted,
Amy Gromowski, Principal
